

Getting Started with BREEDPLAN

Browse through the following documents to access information that you need to know before enrolling in BREEDPLAN, to obtain enrolment forms and fee schedules, or to view BREEDPLAN tipsheets and webinars. A Guide to Getting Started The "BREEDPLAN: A Guide to Getting Started" Booklet provides beef producers with introductory information needed to begin performance recording with BREEDPLAN by answering the following questions:

- What is BREEDPLAN?
- What is an EBV?
- What are the prerequisites for joining BREEDPLAN?
- How do I join BREEDPLAN?
- What can you expect from your BREEDPLAN membership?
- What costs are involved in BREEDPLAN?
- How do I begin performance recording with BREEDPLAN?
- What BREEDPLAN EBVs are available?
- What performance information do I need to record on my animals?
- What equipment is needed?
- How do I submit my performance to BREEDPLAN?
- How will I receive my BREEDPLAN results?
- When will I receive my BREEDPLAN results?
- What is the minimum recommended herd size?
- How can I make my performance data more effective?
